

# President's Report 2022

Another year successfully completed. Along with the staple events, Quiz Night, Christmas BBQ, and several PLUG in the pub events, we had some spectacular talks. With both Dorothy and Hugo spoken so highly of, as well as lightning talks, the range of open projects was wide and engrossing.

As my year as president comes to an end, I would like to extend a thank you to Spacecubed for providing a space for us to meet. I would also like to thank the rest of my committee for their time, enthusiasm, and support in 2022.

A special thank you to Nick, James, and the rest of the AV team for filming, and uploading these talks.

Go raibh mile maith agat,

Patrick Cody  
PLUG President 2022
